Passenger Conductor Duties. Passenger conductors are in charge of a train and the passengers on it. They perform a wide range of duties essential to the comfortable and timely arrival of all travelers on board. There is often more than one conductor on a given passenger train, but they all work together toward the goal of safe and efficient travel.

Passenger Conductor Duties | Career Trend

As an engineer trainee, you will have to pick up all of this institutional knowledge at the same time that you are learning how to physically operate the train, and that is a challenge that few people can overcome.
