Math Pictograph Worksheets. A pictograph, or picture graph, is a graph that uses symbols to represent data. Students will need to look carefully at the key to determine how many items are represented by each symbol. Most of the worksheets on this page align with the Common Core Standards.

Math Pictograph Worksheets - Super Teacher Worksheets

Pictograph is one of my list of the advanced Excel charts. The best thing which I like about this chart is we can use any kind of picture in it, there is no limitation about it. And you don't need to worry about the picture you have added, it remains there in the clip-board. I'm sure this chart will help you to present your data in a better way.
