My optima xm

Just moved to a property with an Optima XM6. I have a code and we use the alarm at the moment, but we do not have any service / user manual. I need to know if the system can be zoned so it is not activated by our cats moving about in the kitchen - for instance. Any ideas? Thanks in advance

ADE Optima XM6 Installation Manual - Download

Accenta/Optima User Guide 1 Introduction This User Guide tells you how to operate your intruder alarm system. To simplify this User Guide we have assumed that the alarm system has been installed by a professional intruder alarm system installer (the in-staller), and that the system is operated in a "typical" way.
