Successful track weekend in the Viper. Gearing up for the 2019 One Lap of America, completed a test weekend at Buttonwillow. First time on track with the Viper, first time back on track in 14 years. The Viper is quite a bit different from its previous autocross trim with the full factory ACR aero package, uprated springs, and a little extra power.

J-Rho's '67 Camaro Z28 STX build

I own a 1999 Acura TL I went to start my car this morning to go to work the car started perfectly like normal but when I put the car in gear for drive or reverse the car remained very still but the engine was running fine it showed that the car was in gear on the dash board but the car wouldn't move also the check engine light was on as well with the SRS light what ever that means?
