Olympus D-560 Zoom Review: Overview - Steves Digicams

PMA 2003: Olympus has today announced the D-560 Zoom (C-350 Zoom in Europe) digital camera.
The competitively priced D-560 / C-350 offers a three megapixel sensor and three times optical
zoom, as we would expect it stores its images on xD-Picture Card and is powered by AA batteries.
This new camera is smaller than the D-550 it replaces and also features a new easier to use menu
system.
