Uniden 5.8ghz Digital Answering System Owner's Manual

Remotely Accessing The Answering Machine You can operate your answering system from a remote location using any touch-tone telephone or the handset if it allows that capability. Remote Access away from home You can check, play, or delete messages, even record a new greeting message when you are away from home.

Answering Machine - Uniden Support

Different phone jacks pull in different signal strength. The Uniden may not be getting enough through the jack the to pull up the caller ID information. The signal strength needed for each phone is different. – Unplug all of the phones except the Uniden. – Move the Uniden phone to a phone jack where the caller ID is currently working.
