A Toro snowblower has been available in major hardware stores since the company rolled out its first machines in 1951. The line now includes the popular S620 snowthrower (manufactured from 1985 to 1991 and still in use today), the 721E snowblower (a longtime workhorse) and the Snow Master and Power Max (the more recent 2017 lines that have been well-received by top reviewers).
