This manual is absolutely useless as a service manual. The most common problem with plasma TV's is the main power supply board, yet this 'service manual' has zero information about the power supply board - no schematic, no parts list, nothing but a square box in a random block diagram that does not show any real detail.

My one year old daughter was recently playing with the TV (Philips Magnavox 25TS56CI) remote controller and turned the TV on and off repeatedly. I had a similar problem with a 50" philips plasma. It would turn on and then shut down with a red flashing led. If you unplugged it and let it sit for a few minutes.
