Undergraduate Admissions Application | UW College of ...

Admission into engineering departments. You can apply for admission once you have completed the full set of application requirements for your department(s) of interest. If you are a first-year student, you can apply for admission if you've completed all of the application requirements as part of two years of focused coursework — likely through Running Start — so that you are on track to ...

Admission to the UW Engineering Departments | UW College ...

Freshman applicants who meet UW admissions criteria and who list an engineering department (or Engineering-undecided) as their first choice major on their UW application are automatically considered for Direct to College admission. For more information about Direct to College admission, see the Direct to College Admission FAQs on the College of Engineering website.

Admission | UW Chemical Engineering - University of Washington

To gain admission to the UW Chemical Engineering graduate program, a student must apply to both the UW Graduate School and the Chemical Engineering Department. It is essential that both the Graduate School and the Chemical Engineering Department receive the materials they require by the deadlines to be considered for admission.

Application Process | UW Chemical Engineering

The University of Washington is a great place to study Computer Science, Computer Engineering, and many related technology fields! There is a wealth of relevant majors: Computer Science and Computer Engineering offered by the Paul G. Allen School of Computer Science & Engineering (we're glad you're here!), Informatics, Human Centered Design & Engineering, Applied & Computational Mathematical ...

Undergraduate Admission | Computer Science & Engineering

All statistics are pre-DTC admission. Data for DTC admission is not yet available. Undergraduate Enrollment at a Glance The CEE Undergraduate Enrollment for autumn 2017 (below) includes 361 majors from the Bachelor of Science in Civil Engineering (BSCE) program and 14 majors from the Bachelor of Science in Environmental Engineering (BSENE) program, for a total of 375.

Admission and Enrollment Statistics - University of Washington

The Bachelor of Science (BSME) program prepares students for diverse careers in engineering, industry or graduate work. Courses explore fundamental principles of mechanical engineering and their application to modern technological problems.

Bachelor of Science in Mechanical Engineering (BSME)

The Department of Mechanical Engineering at the University of Washington houses one of the major mechanical engineering graduate programs in the United States. Of the 383 graduate students enrolled in the department, 263 are master's students, and 120 are Ph.D. students. Approximately two thirds are of our graduate students study full time, while one third are part-time

Graduate Admission | Mechanical Engineering

Industrial & Systems Engineering News & Events Senior Design Project Showcase At the showcase, seniors present their culminating projects, which are solutions to industry-proposed problems.

Industrial & Systems Engineering - University of Washington

We are a student-centered, right-sized campus with 6,000 students, more than 350 faculty, five schools, more than 50 undergraduate and master's degree programs, and direct access to the big-school resources of the tri-campus University of Washington.

Admissions - University of Washington

Admissions Requirements; The UW Bachelor of Science in Electrical Engineering (BSEE) program accepts applications from current UW students and transfer applicants. Admission into UW ECE is very competitive and we may not be able to offer admission to all applicants who meet the minimum prerequisites. Deadlines

Admissions Requirements | UW Department of Electrical ...

Direct Admission (Autumn Quarter only) The UW Department of Computer Science & Engineering enrolls up to 25% of its incoming class directly out of high school. Freshmen applicants to the University of Washington listing Computer Science or Computer Engineering as their intended major will automatically be considered.

CSE Admission Requirements | Computer Science & Engineering

The Bachelor of Science in Aeronautical & Astronautical Engineering (BSAAE) degree from the University of Washington prepares students for aerospace engineering careers in industry, government, and research. Students learn how to design, develop, test and produce aircraft, missiles, spacecraft and satellites.

For Prospective Undergraduates - University of Washington

The William E. Boeing Department of Aeronautics and Astronautics at the University of Washington is helping to meet those challenges by offering bachelor's, master's and doctoral degrees that prepare students to become leaders in this exciting field.

Why Study A&A at the UW? | Aeronautics and Astronautics

Ask ETS to send official test scores directly to the University of Washington Graduate Admissions Office, institution code 4854. Scores should be no more than two years old. The minimum score required for admission is 600 (paper-based exam), 250 (computer-administered) or 92 (TOEFLiBTI).

Admissions Requirements | UW Department of Electrical ...

The Department of Civil and Environmental Engineering at the University of Washington welcomes applications for both master's and Ph.D. programs. Deadline. The majority of graduate students are admitted annually, in autumn quarter, although a few online programs welcome new students on a quarterly basis.

How to Apply | UW Civil & Environmental Engineering

Application Materials. The HCDE application materials include three letters of recommendation, a statement of purpose, an academic transcript, and a resume. Applicants submit materials to the University of Washington's Graduate School online application. See all application materials »
