Nsx Manual Steering

The manual steering rack is preferred to most people for its light weight, precise steering response and feedback from the road. The problem is the internal bushing designed by Honda. From the factory, Honda installed the manual rack with a steel bushing and a polymer sleeve. Over time the polymer breaks down causing play in the steering and ...

Nsx Manual Steering - 3babak.com

Are There Other Electric Power Steering Setups? The NSX is was the only fully electronic rack in production until it was also put in the S2000, another sports car. Some other manufacturers are looking into it. Some other cars (MR2, EV1, Subaru, Fieros) have electro-hydraulic racks which simply replace the traditional pump with an electric one.
