Participant Workbook This workbook was created for a corporate client that was rolling out a "diversity" program to its managers. The workbook was intended to be used as pre-training reading material to introduce the context and concepts that the participants would be learning during the actual training.

### **Samples - Custom Training Design**

Upon reading the data for each file, each task is analyzed and checked against the participant name in the 'Tasks' sheet. This ensures that tasks that have been modified with a new participant are not overwritten with the old participant's progress data. Screenshot: Participant Emailing and Workbook Generation
