In an effort to raise safety and conservation awareness, California's first hunter education law was enacted in 1954. California requires hunter education training for those who have never held a California hunting license, who do not have a hunter education certificate, or who do not have a hunting license from another state or province issued within the past two years.

Hi Again, Unfortunately, it seems that they do not give the answers to the practice test; they only tell you if you answered right or wrong. I think they want you to pay for a class to learn the answers. The only other way I can find for you to get the answers for free is to read through the regulations posted on the California Fish & Game Commission Website.
