Uno Roboto Instruction Manual

Uno Roboto is a charming version of Uno with a small little "robot" that can record speech and talk. This robot becomes the new referee of the game and he brings loads of fun. Although the robot seemingly has its own artificial intelligence, this is down to its programmed ability to record and playback speech.

Uno Attack is a popular adaption of the original Uno game that involves a electric card shooter. The shooter has a launch button and when pressed 0-12 cards can be shot out. Differences: Uno Attack rules are very simular to the original Uno rules with several differences. Instead of a Wild Draw Four card, there is a card named "Wild Hit Fire".
