Traktor Audio Engine Extremely Flawed

I still can't tell the difference between Traktor and any other player. The audio engine is definitely not flawed. The topic has transformed from Traktor possibly sounding flawed to not as 'good' as other players. I've learned to listen and like my music to sound as close as possible to what the producer intended.

First of all and most important, the audio engine in Traktor Pro (and Traktor 3) is bit transparent. This means, what goes in comes out, without any change in audio quality. Apart from obvious things like putting too much filters, EQ and effects on, there are two things that can degrade the audio quality in Traktor: - the key correction algorithm
