I bought a ONIX HD set top box for my 4:3 TV from WOW Sight and Sound for \$59 and when I did a auto-search to find a channel it only finds abc and sbs channels. I have tried everything from turning the antenna "on" in the settings to changing resolutions and replugging every cable but they are not helping.

PVR Set Top Box versus Standard Set Top Box There are two different Set Top Boxes available with Quadro Communications: the Motorola VIP 1200 and the Motorola VIP 1216. Both boxes are HD capable and can contain the same content. The difference between the two boxes is the PVR (Personal Video Recorder) function.

So hard to get reliable scheduled recording we gave up after 2 weeks and went back to the SD Topfield. (The Topfield and its manual has given my wife cause to laugh many times but the thing is still working 3 or 4 years in) After 2 weeks used the Onix as a set-top-box until it went phfft! 4 months in. Will now try to recover cost from CotD.
