USER MANUAL WEBSITE | Free User Manual for All Device

User manuals and user guides for most non-trivial software applications are book-like documents with contents similar to the above list. They may be distributed either in print or electronically. Some documents have a more fluid structure with many internal links. The Google Earth User Guide is an example of this format.

User guide - Wikipedia

A style guide or manual of style is a set of standards for the writing, formatting and design of documents. It is often called a style sheet, although that term may have other meanings. These standards can be applied either for general use, or be required usage for an individual publication, a particular organization, or a specific field.
