Northstar Engine Repair Kit

The Northstar Engine has long been deemed the worst head gasket repair job in history by most mechanics and do-it-yourselfers. It's not that the engine is that terribly hard to work on; but it's because (until we introduced our repair method) the repairs never seemed to last.

Northstar Performance - SureGrip Cylinder Head Stud Kits

The #1 reason that repairs fail on these engines is lack of knowledge or the wrong parts. There are many repair shops that do the job correctly, using our patented head stud kit. This ensures repairs will last. I have written a short article on what to look for and what to watch out for. You can read it by clicking [Here](#)

Northstar Performance - Cadillac Head Studs, Cadillac Head ...

Our kit may not be the cheapest fix on the market- but it's the best. Nobody wants to do this job twice on the same car. We are the only company to offer a repair for the Northstar that stands behind it so well, that if your head gaskets fail within one year, send us the studs back as well as the rest of the kit and we will refund your money.
