U150 / U151 / U250 FWD 5 Speed - parker.com

The U140/240 - U150/250 transmissions have their fare share of valve body malfunction making the purchase of a new or a good used one a frequent occurrence. Such was one experience with a U140E valve body in a RAV 4. The tech working on the vehicle purchased a good experienced valve body from a hard part supplier which after it was installed had no reverse unless he played with the shifter.
