Oregon Scientific Weather Station is your standard weather station that will provide you with accurate readings of the weather. Compared to other weather stations, this one isn't as high-tech and doesn't provide as much information. If you're looking for a basic weather station, Oregon Scientific Weather Station will work just fine.

Oregon Scientific BAR208HGA Advanced Weather Station with ...

And perhaps that's the best place to start. The Oregon Scientific BAR208HGA has the base station as a hygrometer and some helpful battery level readings on both the main unit and remote sensor, but then there's moon phases and weather sensors that are completely unnecessary as far as cigars are concerned.
