Engineering Books Pdf | Download free Engineering Books ...

Petroleum engineering applies a wide range of technologies to the exploration, drilling, recovery, production, distribution, and storage of oil, gas, and liquefiable hydrocarbons. Not intended as a comprehensive bibliography, this compilation is designed--as the name of the series implies--to put the reader "on target."

Petroleum Engineering: Science Tracer Bullet- Science ...

A major advantage of the book is that it provides an excellent crossover between aspects of structural geology and reservoir engineering – a link that is all too often overlooked. I would recommend it to any geologist working in a situation where faults or fractures interact with the present-day stress field.
