Touch Math® Number Line 12 3456 - robeson.k12.nc.us

I observed TOUCH POINT MATH from my son over 15 years ago, whom he learned from his very dear and giving resource teacher, Mrs. Jennifer Hightower from St. Bernadette School . So, time and patterns have changed, but the concept has stood the test of time. See the chart above to see the placement of the dots and circles.

Touch Point Math | K12 Academics

Free Touch Math worksheets and resources are available on the Touch Math website to help you

when teaching addition. Great for tactile learners and for students who can't get the hang of basic math facts. The process is simple and easy to use and works for many students. Note however, students can grow out of the program. Therefore, it should be looked at as a place for students to start ...

Strategies for Using Touch Math to Help Struggling ...

"Touch Math" Mastering math facts, especially multiplication facts, can be a daunting task for any student. Some students require much more practice and rehearsal than others, which can be very frustrating. For all students, however, mastering their multiplication facts will make their math computation easier and will prove to strengthen

www.lcps.org

Touch Point Math In Second Grade, the students have been learning how to use "touch points" when adding numbers. Below are some materials that can help you help your child at home.

McCurdy, Melissa - Grade 2 / Touch Point Math

The subtrahend (the number being subtracted from the minuend) should have TouchPoints. If you do not have TouchMath manipulatives, you can easily add your own homemade "touch points." For example, if you set up the equation, $7-3$, the "7" does not need touch points and the "3" should have touch points.

How to Teach Subtraction With TouchMath | Sciencing

Math Subtraction with Touch Points for Autism: Five vertical single digit subtraction math problems per page. Touch points are provided on all single digit numbers. Fact groupings 0-9 are included. Subtraction groupings are displayed in number sequence per page. Cut and paste answer choices are at the bottom of each page.

Counting With Touch Points - Autism Educators
