Traxxas Manuals - CompetitionX

I have an original T-Maxx with the .15 engine and wondered if anyone had a link to a parts list and a manual for it. All the manuals online for the 4910 are for the second generation with the 2.5 engine. Even though the model numbers are the same, some of the parts are different. Found some links to the manual on the forums here, but the links are no longer valid.
