Why does TomTom make it so difficult to download new maps on my LTM device. It always takes me to an page on it's web site that asks me to buy my map upgrade. My Garmin has a one button upgrade process. As soon as you plug your device into the PC it auto identifies your device and takes you directly to another mutton to start the map upgrade.

XL N14644 — TomTom Community

We've been a front runner in mapping and location technologies for decades. And we won't stop shaping the future of mobility. Because we believe that movement drives progress for us all - that safer roads and a cleaner world are just around the corner.
