Oak Meadow believes parents are in the best position to determine what grade level to choose for their child. Instead of requiring placement tests, we encourage parents to study our grade overviews and sample lessons to make an informed judgment based on their knowledge of their child. Because we know that many students work at different grade ...

Oak Meadow - K-12 Curriculum & Distance Learning School

The High school chemistry is also broken up into manageable chunks too. It includes lots of experiments to supplement the book learning. I also like that you see the elementary reading list up front. This saved us from purchasing a lot of books we already had or that can easily be obtained from the local library.
