There will also be a course site on UIC Blackboard where I will post solutions to homework and grade information. Text. Martin J. Osborne, An Introduction to Game Theory, Oxford University Press, New York, Oxford, 2003. A new book that you might find useful for supplementary reading is Steven Tadelis, Game Theory, Princeton University Press, 2013.

### **STATISTICS 473 Game Theory - - MSCS@UIC**

An Introduction to Game Theory, by Martin J. Osborne, presents the main principles of game theory and shows how they can be used to understand economic, social, political, and biological phenomena. The book introduces in an accessible manner the main ideas behind the theory rather than their mathematical expression.
