The photo below was taken on spot metering mode but, if you were to take the same photo using evaluative mode, you would end up with a completely different exposure. This is also covered in my free video training. If you're looking for an article that explains digital, including Canon, metering modes, here it is.

Photography for Beginners: A Complete Guide (Updated 2019)

About The Author. John Hedgecoe is one of the world's best-selling writers on practical

photography. He enjoys an international reputation, with his pictures appearing in The Times, the Observer, Vogue, Life and Marie Claire, among many others. His photographs are on permanent display in major collections in London and New York, and he's received several international awards.

New Manual of Photography by John Hedgecoe (ebook)

In this fourth edition, author Philip Andrews admits early on that “when I first saw the new digital technology in all its glory, 19 or 20 years ago, I was not all that impressed.” What has projected digital capture into public and professional acceptance has been not only the rapid technical advances but the accelerating [...]
