### **Tdi Engine Wiring Harness For**

Wow!! On top of the trailer plug blunder a 10GA wire in a bundle like these wiring harnesses are in, and in an engine space, is not even rated to handle 50A of current under the ABYC safety standards. This wiring harness and alternator path was such an f'ing blunder from the start it's not even laughable.

I have completed most of the grunt work that comes with my engine swap. The most troubling factor left for me is the wiring harness. I've read many threads and decided to go with the less cluttered look of trying to narrow down the harness to the bare minimum while still being able to communicate via vcds.
