I've had the chance to use the Oster 10-speed blender for about a week. It blended my salsa beautifully, but my smoothies would be the real test! Other more expensive blenders have failed the test because of the frozen fruit I use. But the powerful little Oster had no problem at all. I also love the lightweight design and ease of use and clean up.

Target had a 10 speed, same watts but plastic container for \$23 OTD. I decided that the improved glass container compared to the ones I have was worth the extra \$4. It's much wider, which makes it easier to scrape out the contents with a rubber spatula. The 10 speed Osterizer I had for ~25 years and just finally burned out was only 120 watts!
