Triumph TR7 Engine Rebuild Kits | Rimmer Bros

In reply to # 937651 by wedgeguy My 1980 Tr-7 Spider currently has a Wankle Rotary ('74-'75 13 engine in it that is in need of a very expensive rebuild. Instead of the Wankle, I am wondering whether I could find a rebuilt TR-7 engine to to put in the car. I also like the idea of returning the car to semi-original condition so, a Triumph engine would be the way to go.

I reckon it'd be worth pointing out at this juncture that before any work started, actually before I even sought quotes for the work, that I knew full well that the restoration was economical madness. It would have been cheaper to get another TR7 - even if good FHCs are thin on the ground - and restore that.

Some were items that were shared across various makes/models such as Zenith Stromberg carburettors, other provided additional details on components specific to the TR7 and/or TR8. So the next time you're planning that tear down and rebuild of your 5-speed transmission or an overhaul of the automatic choke on your ZS carbs, you might want to ...

Training Aids - Triumph TR7 & TR8

As a matter of fact, there are three possibilities I see. The first would be to rebuild the engine that's in place, or replace it with another TR7 engine. That would probably be the least expensive way to go. The second would be to convert the engine to the 16 valve version that Triumph offered in the Dolomite Sprint and in a very few TR7's.
