In North America these welding products are distributed exclusively through Miller Welding Automation. Miller can also be contacted for service, parts, technical support, product training and software solutions. Read the press release about the Panasonic/Miller strategic alliance. Or call them at (630) 653-6819.

Panasonic Robots, Arc Welders & Pre-Engineered Welding Systems

Quasi-simultaneous welding. With quasi-simultaneous welding, the plastic components are joined quasi simultaneously along the welding seam. This synchronous heating process is the key to an exact and clean welding seam. The configuration of quasi-simultaneous welding is set in the system via the control of the laser beam in X- and Y-direction.
