Understanding health insurance costs makes for better decisions. When you buy a car, you probably think first about price — your monthly payment. But other expenses — like auto insurance, gas, and maintenance — can affect your wallet. Your total costs depend on which car you buy and the expenses that come with owning a car.

What is Health Insurance? Health insurance is a good way to help you manage your health care costs. You pay health care companies premiums – a set amount of money each month - and you get benefits to pay for your eligible health care expenses. This can include regular doctor checkups or injuries to treatment for long-term illnesses.
