The Ford Panther platform is an automobile platform that was used by Ford Motor Company from the 1979 to 2012 model years. Used exclusively for full-size cars, the rear-wheel drive Panther architecture marked the first use of downsizing by Ford. In production for 33 model years, the Panther platform was the longest-produced platform in North American automotive history.

The Panther is a German medium tank deployed during World War II on the Eastern and Western Fronts in Europe from mid-1943 to the war's end in 1945. It had the ordnance inventory designation of Sd.Kfz. 171. It was designated as the Panzerkampfwagen V Panther until 27 February 1944, when Hitler ordered that the

Panther tank - Wikipedia

The Big Cat - The Model 120. Panther motorcycles were manufactured by Phelon and Moore for over 40 years and once the factory hit upon a sound design they tended to stick to it and successfully. Panthers are remembered for their reliability, their pulling power and their big sloping singles.
