The Million Mile Engine. The PACCAR MX Engine boasts a B10 design life of one million miles in linehaul applications. This means 90 percent of PACCAR MX Engines will log up to one million miles without a major overhaul, almost double the life of comparable engines.

MX-13 - PACCAR Powertrain

Paccar didn't even start making engines until a few years ago. I think Mike has a Paccar engine in his Kenworth. Probably not the same model as yours. The US government didn't give the engine manufacturers enough time to develop emissions systems to meet requirements & it resulted in years & years of garbage being produced.

Common Issues With Paccar Engines

The Paccar MX engine is made by DAF and is a completely different engine in the 15 Liter than the ISX which is built by Cummins. I can tell you from experience that and MX will not pull like a cummins nor will it get as good a fuel mileage. My 450 Cummins powered trucks get consistently better mileage than the MX.

purchasing a paccar engine - Engines - Let's Truck

Pete 386 with the Paccar MX engine Discussion in ' ... I have been driving an MX engine now for 4 months now and have no complaints. It is in a 2011 386 rated at 455 HP. We are pulling a gross weight of 105,500 and it does rather well with mpg between 4.5 to 5 mpg depending on wind etc. I feel the mileage will get better when the weather warms ...
