A new Texecom Veritas R8 panel and keypad is around the £40 mark. I find it rather interesting that you can buy this and it comes with both an installation manual and user manual yet they won't supply an installation manual separately to someone who already has one installed, not even to buy.

Texecom Veritas R8 early installation manual | Electronics ...

Sorry to drag up an old thread ... but after two days of searching and following out of date links I have nowhere else to turn. Does anyone have a copy of the Installation manual for the Veritas 8 pre 2000 version (the one where you enter 00 instead of PROG) I have tracked down the user manual but I want to program the zones included in the PART program but don't have that information.
